CONFIRMATION

Prices quoted do not include sales tax or extra equipment ordered by customer such as "spreader bars" (on fly ash orders), "extra piles" or "demurrage" as charged by freight or delivery company due to customer-related delays at job site. There is a 25 ton freight minimum on all bulk orders (charged by freight companies). Our terms of payment are net 30 days, due by customer and if unpaid, lien rights may be implemented and notices sent according to McGregor & Miller Acts of Texas Civil Statutes and Texas Property Codes Section 53.232 & 253.041. Recommendations by laboratories are independent of First Materials & Technology Inc.
